# TEQUILA

Patrón Tequila is as aromatic and fragrant as many wines. For this reason it's best served simply, in a glass over ice and savoured - not shot.

## PATRÓN EL CIELO

Produced with superior-quality agave from Jalisco's Los Altos region, El Cielo is expertly distilled four times for a uniquely sophisticated flavour. This tequila harnesses the natural sweetness of the Weber Blue agave for an undeniably bright and impossibly smooth finish.

There's a reason why we call it El Cielo: one sip, and you're in heaven.
